SAYS the Portsmouth Tribune: Capt. G. W. Huggins, Wm. Jones and Capt. John McGuire have purchased the towboat "Sea Lion," from Capt. A. J. Montieth, and she will be put in the Maysville and Pomeroy trade.

SOME of the leading Republicans of Kentucky met at Paris on the 28th inst. to canvass the policy of nominating a Republican candidate for Judge of the Superior Court in this district. The conclusion was against putting up a candidate against the Democratic nominee and it was a very wise one.

**Dr. James Shackelford.**  
Cynthiana Democrat.

Hon. James Shackelford, of Mason, has been prominently mentioned in connection with the race for Congress in the ninth district. We are perfectly familiar with Mr. Shackelford as a legislator, having recorded his votes for two sessions in the State Senate. He is a sterling Democrat, a broad-minded and safe legislator; democrat by instinct, always upon the side of the people and against monopolies; as true to his convictions and true to his friends as the needle to the pole. Besides this he is a man of decided ability and indefatigable industry. There is no man more worthy of a seat in Congress and none who would stand truer to the interests of the people of the district and of the democratic party.

In the prize fight, Wednesday, near Greensboro, Pa., between Campbell and Walling, Campbell won in thirty-one rounds; time, thirty-one minutes. Walling broke his right hand in the third round and little finger of the left hand in the thirty-first. Campbell was badly beaten up about the face.

The position of the Amalgamated Association of Iron Workers at Pittsburg is thought to be weakening. It appears that the scale is precisely the same as last year, with but one exception—50 cents per ton advance for puddling. This is looked upon by manufacturers as a square back-down on the part of the association.

The New York Sun says: What is it that drives so many thousands of industrious men to leave off the work on which they depend for subsistence? They do this because their wages are insufficient to support them, and because they hope by striking to compel their employers to pay them more.

Why are their wages insufficient? Because the enormous taxes which are imposed upon all the people of this country, and which, at last, fall with the most crushing weight upon those who labor with their hands and so increase the cost of the absolute necessities of life that working men are no longer able to procure them.

Why are such enormous taxes imposed? Originally they were imposed to meet the necessities of the civil war which was fought to maintain the unity of the country. In that war a million lives and many thousand millions of dollars were sacrificed; and the sacrifice was cheerfully borne. In order to bear this enormous expense, taxes never before known in the history of the country were levied upon the people; and, in addition to the money raised by taxes, an immense public debt was contracted the interest of which and the payment of which also had to be provided for by taxation.

But has not a large part of this debt been paid? Yes, a very large part of it. The taxation has proved to be far more productive than was ever expected. So much money has been poured into the Treasury that in the short period of seventeen years a greater proportion of the debt has been extinguished than any one supposed would be extinguished in fifty years. The Republican administrators of the Government have made a great account of this premature payment of the public debt. They have been vain, proud of it, gloried in it, and have never had a thought about the terrible burdens they were laying upon the shoulders of the people.

But is all the money which is raised by these awful taxes applied to paying off the public debt? No; it is not. Notwithstanding the enormous sums paid on that account, there is now in the Treasury a surplus of more than a hundred and forty millions of dollars; and this vast surplus the Republicans are eagerly perverting to every kind of job, to every sort of useless and unjustifiable scheme, and to various dishonest purposes, such as a hundred millions to unnecessary pensions, mostly fraudulent. Moreover, millions upon millions have been stolen outright and divided in various sums among thieves connected with the Navy Department, thieves connected with the Whisky Ring, in the Washington City Ring, and thieves high low, limited and unlimited.

But now when the pressure comes, and when the people in their distress are crying out in agony, and even refusing to work because their work does not bring them a livelihood, do not the Republicans who control all branches of the Government, legislative, executive, and judicial, purpose to lessen these burdens and to leave the people a little of the substance which they have saved, notwithstanding their terrible extortions? No; they do not propose to do any such thing. They look with indifference on the suffering mass of laborers, those who are striking and those who yet continue to work in the hope that they may be allowed to earn a livelihood. From their burdens they will not remove a hair's weight; from their taxes they will not take off a penny. The only safety for the people is in turning the Republican party out of power.

### Kendall's Spavin Cure.

The Most Successful Remedy ever discovered, as it is certain it effects and does not blister. READ PROOF BELOW.

From Rev. P. N. GRANGER.

Presiding Elder of the St. Albans District. ST. ALBANS, VT., Jan. 29, 1880.  
DR. B. J. KENDALL & Co., Gents:—In reply to your letter I will say that my experience with 'Kendall's Spavin Cure' has been very satisfactory indeed. Three or four years ago I procured a bottle of your agent, and with it, cured a horse of lameness caused by a spavin. Last season my horse became very lame and I turned him out for a few weeks when he became better, but when I put him on the road he grew worse, when I discovered that a ringbone was forming, I procured a bottle of Kendall's Spavin Cure and with less than a bottle cured him so that he is not lame, neither can the bunch be found. Respectfully yours, P. N. GRANGER.

### Perseverance Will Tell.

STRAUGHTON, MASS., March 16, 1880.  
B. J. KENDALL & Co., Gents:—In justice to you and myself, I think I ought to let you know that I have removed two bone spavins with 'Kendall's Spavin Cure,' one very large one, don't know how long the spavin had been there. I have owned the horse eight months. It took me four months to take the large one off and two for the small one. I have used ten bottles. The horse is entirely well, not at all stiff, and no bunch to be seen or felt. This is a wonderful medicine. It is a new thing here, but if it does for all what it has done for me it will be very great.

Respectfully yours, CHAS. E. PARKER.  
KENDALL'S SPAVIN CURE is sure in its effects, mild in its action as it does not blister, yet it is penetrating and powerful to reach a every deep seated pain or to remove any bony growth or other enlargement, such as spavins, splints, curbs, callous, sprains, swellings, any lameness and all enlargements of the joints or limbs, or rheumatism in man and for any purpose for which a liniment is used for man or beast. It is now known to be the best liniment for man ever used, acting mild and yet certain in its effects.

Send address for Illustrated Circular which we think gives positive proof of its virtues. No remedy has ever met with such unequalled success to our knowledge, for best as well as man.

Price \$1. per bottle, or six bottles for \$5. ALL DRUGGISTS have it or can get it for you or it will be sent to any address on receipt of price by the proprietors. DR. B. J. KENDALL & CO. Enosburgh Falls, Vermont. j27d.
